

You'd better watch out,
You'd better not cry,
Practice your pout,
We'll tell you why...
Voix de Ville is coming
BACK to town!

Proud Cabaret's Burlesque starlets are starring in a month of carol singing and bra-flinging and are set to take over this Christmas; with ALL the trimmings!

28th November – 31st December

Voix de Ville, the much-loved **Proud Cabaret** floorshow is getting a festive sugar-coating as Christmas comes early. The stars of the London Burlesque and Cabaret scene are due to return en-masse and jingle all the way through December. Launching on November 28th and featuring all the **Proud Cabaret** favourites, including **Missy Fatale**, **Betsy Rose** and **Banbury Cross** along with other cabaret stars, the winter wonderland that is “**Voix de Ville- Tease the Season**” will also feature **Coco Du Bois** and **Velma Celli** as alternate comperes throughout the run. The stakes are high, the costumes are fabulous, **Voix de Ville** is coming ho ho home.

With performances including sugar plum fairies, the not-so-virgin Mary and charming yet not overly wise men, **Proud Cabaret's** renowned show **Voix de Ville – Tease the Season**, ensures to bring tinsel, tassels and all the razzle dazzle of Christmas to the venue with a fabulous month of floorshows. From the **28th November** to **31st December**, **Proud Cabaret** will be transformed into a Christmas wonderland featuring an ever-changing line-up of burlesque stars giving show-stopping performances against the backdrop of **Proud Cabaret's** salubrious interior. International burlesque names such as **Missy Fatale**, **Betsy Rose** and **Banbury Cross** will regularly feature in this Christmas spectacular along with cabaret stars including **Beatrix von Bourbon**, **Abi Collins**, **Mat Ricardo**, **Lisa Lottie**, **Jonathan Finch** and many more. **Proud Cabaret's** very own tree-top fairies **Coco Du Bois** and **Velma Celli** will alternate throughout the run, taking turns with their jaw-dropping vocals as they hold your hand and find out exactly who the good boys and girls are!

A global burlesque siren and one of London's most sought-after cabaret stars, **Missy Fatale** has captivated audiences across the world with her hypnotic burlesque performances – from the absinthe salons of Paris and flamboyant theatres of Milan, to the cirque-carnivals of Australia, and the Geisha district of Kyoto, Japan. Now, **Missy Fatale** will be mesmerising **Proud Cabaret** audiences with a Christmas twist for **Voix de Ville – Tease the Season**.

One of London's most prestigious headline acts, **Betsy Rose** will be performing a very special 'Christmas balloon pop' to seduce crowds, as she works her way around the venue. Also on the bill is **Miss Banbury Cross**, the vintage beauty who oozes the sex appeal and glamour of Hollywood's Golden age, and the sass and decadence of the late 1950s. Having been described as 'one of Beatrix's most moving and magical performances' by 21st Century Pin-

Ups, **Beatrix von Bourbon** tells a heart-warming tale of self-discovery and love through a winter theme. Entering the stage wrapped in snow-dusted furs, Beatrix slowly peels away her garments to reveal her vulnerable self in a truly beautiful performance. **Abi Collins** delivers yet another comedy cabaret delight as she presents her Fairytale of New York, and shows just why the Royal Ballet school couldn't handle her in the dance of Proud Cabaret's favourite Plum Fairy.

With so many acts and performances to be seen, **Voix de Ville – Tease the Season** is sure to be the most stunning burlesque show in London this Christmas to be enjoyed by all burlesque and cabaret fans alike.

Editor's Notes

Proud Group

The Proud brand runs some of the most popular destinations in London attracting 500,000 visitors a year. Under the Proud name are three galleries; Strand Galleries, Proud Camden and Proud Chelsea, all of which are some of Europe's most popular private photography galleries. Alongside these is Proud Cabaret, an arcane retreat, fine-dining experience and cabaret club modelled on a 1920s Berlin speakeasy. The Proud name has also been extended to Brighton with Proud Brighton Ballroom, the city's most glamorous escape, this iconic part of Brighton's heritage plays host to the most decadent throwback of vintage dinner-theatre dining. Proud Kitchen launched within the Camden venue, once again transforming and improving the Proud Camden experience. The restaurant takes its inspiration from New York-style canteen dining, providing an alternative to the iconic market stalls that play host to an integral part of Camden. Proud2 is the latest addition to the Proud Group; inspired by the glamour of LA and Las Vegas nightclubs and juxtaposes high end design details, such as studded brass clad bars and 60s modernist chandeliers with dramatic statement pieces reminiscent of the Hollywood Regency era.

Alex Proud

Alex Proud is the man behind Proud Group, which has grown exponentially since its humble beginnings back in 1994. Alex's career that has spanned two decades, overcome bankruptcy, involved Russian mafia before culminating in extraordinary success.

Politics and photography are two of Alex's greatest passions, and although he did not go on to become a politician after reading Economics and Politics at York University, he is now one of London's most renowned photography gallery and night club owners.

Ends

Reminiscent of a 1920s speakeasy and located in one of London's most historic quarters, Proud Cabaret is set to be *the* destination venue in the City. Positioned behind Fenchurch Street Station and nestled amongst iconic landmarks such as the Gherkin and London Bridge, it is a place to eat, drink and escape.

The building's exterior is a subtle façade to what lies beneath – hidden away from the passing world two floors below ground level, its sumptuous decor contains more than a touch of decadence. Alex Proud said, "I am thrilled to be opening another venue; guests at Proud Cabaret will feel like a million dollars". The furnishings consist of plush booths, leather-upholstered banquettes and velvet curtains to create an atmosphere of luxury.
